Elitmus blue print by Shishir Kushwaha

By Praveen Jain[1] on Sunday, January 26, 2014 at 10:26am

one of our friend posted his experience on elitmus. I think it is mandatory to everyone those who want to secure good percentile. I am posting behalf of him.

Elitmus Blue Print

Number system - 5 ques Permutation combination & Probability - 3 quesGeometry - 3 quesTime Distance, Profit loss & Time and work - 2 quesArithmetic Progression - 2 quesLogarithm & Binary Decimal conversion - 1 ques

For above Chapter useQuantitative Aptitude by Arun Sharma (Very Important)

For Logical Reasoning (17 ques)http://www.indiabix.com/logical-reasoning/questions-and-answers/[2]

For Cryptarithmetic (3 ques)http://cryptarithmetic.wordpress.com/[3]

For Verbal Abbreviation use any english bookhttp://www.indiabix.com/verbal-ability/sentence-correction/http://www.indiabix.com/verbal-ability/selecting-words/Unseen[4] Passage (10 ques)Jumbled Sentence (4 question)Grammer (11 ques)

To get calls from reputed companies you need at least 80 Percentile for which you have to do at least 8 questions correctly in each section A,B & C. If you are a average student just give 50-60 hours (Aptitude), 5 Hours (Logical Ability) and 5 Hours (English).

Good Luck !!
